Frontend: React.js, HTML, CSS, Bootstrap, Tailwind CSS

Backend: Node.js, Express.js, Django, DRF, FastAPI

Databases: MySQL, PostgreSQL, MongoDB

Tools: Git, GitHub, Docker, VS Code, Postman, Anaconda

Core: DSA, OOP, DBMS, OS, REST APIs

Experience

BitsFlow

Software Development Intern

May 2026 – Jun 2026

- Contributed to backend development of a Consent Management System (CMS) using Django, Django REST Framework, and PostgreSQL.
- Developed business logic for the administrative portal and worked with Docker and Python virtual environments.
- Collaborated using Git in a professional software development environment, gaining exposure to industry best practices.

AICTE EduSkills (Google Cloud)

Generative AI Virtual Internship

Apr 2025 – Jun 2025

- Completed a 10-week virtual internship focused on Generative AI, prompt engineering, and LLM workflows.
- Explored Google Cloud AI services, APIs, and practical AI application development.

Projects

MedNifi (Node — Express — MySQL — JWT)

Live — GitHub

- Developed a full-stack pharmacy management platform with authentication, inventory management, supplier management, and analytics.
- Implemented batch-level inventory tracking, expiry alerts, low-stock monitoring, and sales management.
- Designed RESTful APIs using Express.js with MySQL and deployed the application on Render.

Embeddable AI Chatbot (Node — JS — Gemini API)

GitHub

- Built a reusable AI chatbot SDK that integrates into any website using a single JavaScript script.
- Integrated Google's Gemini API to generate context-aware responses with customizable branding and deployment.

Smart Left (Spring Boot — JWT)

GitHub

- Developed an AI-powered food assistant that recommends recipes from available ingredients.
- Implemented JWT authentication, REST APIs, and multiple ingredient input methods.
- Added voice input, camera detection, and food impact tracking.

Achievements

- Secured **AIR 103** in SRMJEEE 2024 and received a Merit Scholarship.
- Achieved **17th State Rank** in the National Cyber Olympiad (NCO).
